September 28th 2022

To Whom It May Concern

Vijaya Dashmi, also known as Dashain, is the most auspicious and anticipated festival in the Nepalese annual calendar, celebrated by the Nepalese Hindus throughout the globe. The festival falls in September or October, starting from the bright lunar fortnight of the month and ending on the full moon.

Of the 15-day festival, the major celebration days in this year fall on 4th and 5th October. Hence, we would like to request school districts to excuse the absence of the Hindu students from the Nepalese origin on Tuesday, Oct 4th and/or 5th October 2022 so that they can observe their most important religious festival with their families and/or relatives.

If you have any question regarding this, please feel free to reach out to us.

Happy Vijaya Dashami!

Thank you.
