### To Whom It May Concern

Vijaya Dashmi, (aka Dashain), and Tihar (aka festival of lights) are the two most auspicious and anticipated festivals in the Nepalese annual calendar, celebrated by the Nepalese Hindus throughout the globe. These festival fall within a month's gap between (September and November).

This year's festival of Vijaya Dashami is already over, the five-day festival of Tihar falls from 23<sup>rd</sup> to 27<sup>th</sup> October 2022. On the last day of Tihar - **Bhai Tika**, brothers and sisters exchange good wishes and blessings among each others.

Hence, we would like to request all concerned to kindly excuse the students of Nepali origin to observe and celebrate the festival of lights and the *Bhait-Tika* of this year by taking leave of absence on one the days of their choice between these five days of October (23 – 27, 2022).

If you have any question regarding this, please feel free to reach out to us.

Happy Dipawali 2022!

Thank you.
