Re: Excusing the absence to observe religious festival

Tihar, a Festival of Lights is a five-day religious festival that Hindu people of Nepalese origin observe annually.

The fourth day is celebrated with the worship of the soul within oneself – a way of thanking the creator.

The fifth day has a special significance when brothers and sisters exchange their blessings in the presence of other senior members of the family.

Therefore, we would like to request the school administration to excuse the absence of the Hindu students of Nepalese origin on Thursday, Nov 8th, and Friday, Nov 9th 2018 so that the students will be able to observe their important festival of the year.

If you have any question regarding this, please feel free to reach out to us.

Wish you Happy Tihar!

Thank you.
